## SCHEDULE "B"

### INTEREST / ESTATE TRANSFERRED – EASEMENT IN GROSS

1. The Transferor hereby grants to Hydro One Networks Inc. (herein called the "Transferee"), its successors and assigns, the exclusive, perpetual rights, easements, rights of way, covenants, agreements and privileges as herein set out in, through, under, over, across, along and upon that portion of the lands being Parts OF LOTS 1 TO 5, AND BLOCKS 22 AND 23, PLAN 49M-91, DESIGNATED AS PARTS 1 TO 8 ON PLAN 49R-18828 AND PART OF LOTS 6 TO 20, AND BLOCKS 21, 24 AND 25, PLAN 49M-91, DESIGNATED AS PARTS 11 TO 30 ON PLAN 49R-18828, TOWNSHIP OF GREATER MADAWASKA on Plan 49M-91 (the "Strip");

- (a) To erect, maintain, operate, repair, replace, relocate, upgrade, reconstruct and remove at any time and from time to time, an electrical transmission line or lines and communication line or lines consisting of all necessary poles and all necessary anchors with all necessary guys, braces, wires, cables, padmount equipment, if applicable, underground cable and associated material and equipment (all or any of which works are herein called the "Line");
- (b) To enter on and erect, maintain and use such gates as the Transferee may from time to time consider necessary in any fences which are now or may hereafter be installed on the Strip by the Transferor;
- (c) To enter on and mark the location of the Line under the Strip by suitable markers, but said markers when set in the ground shall be placed in fences or other locations which will not interfere with any reasonable use the Transferor shall make of the Strip;
- (d) (i) To enter on and selectively cut trees and shrubs on the Strip and to keep it clear of all trees, shrubs and brush which may interfere with the safe operation and maintenance of the Line;  
(ii) Subject to payment of additional compensation therefor, to cut, prune and remove, if necessary, trees located outside the Strip whose condition renders them liable to interfere with the safe operation and maintenance of the Line;
- (e) To conduct engineering and legal surveys in, on and over the Strip;
- (f) To clear the Strip and keep it clear of all buildings, structures or other obstructions of any nature whatsoever (including swimming pools and wading pools) including removal of any materials which in the opinion of the Transferee are hazardous to the Line. Notwithstanding the foregoing, in all cases where in the sole discretion of the Transferee the safe operation and maintenance of the Line is not endangered or interfered with, the Transferor from time to time or the person or persons entitled thereto, may with prior written approval of the Transferee, at the Transferor's own expense construct and maintain roads, lanes, walks, drains, sewers, water pipes, oil and gas pipelines and fences (not to exceed 2 metres in height) on or under the Strip or any portion thereof, provided that prior to commencing any such installation, the Transferor shall give to the Transferee 30 days' notice in writing so as to enable the Transferee to have a representative inspect the site and be present during the performance of the

work and that the Transferor complies with any instructions that may be given by such representative in order that such work may be carried out in such a manner as not to endanger, damage or interfere with the Line. For clarity, the Transferor agrees it shall not, without the Transferee's consent in writing, change or permit the change of the existing configuration, grade or elevation of the Strip and the Transferor further agrees that no excavation or opening or work which may disturb or interfere with the existing surface of the Strip shall be done or made unless consent therefore in writing has been obtained from Transferee;

- (g) To enter on, to exit from and to pass and repass at any and all times in, over, along, upon, across, through and under the Strip and so much of the Lands as may be reasonably necessary, at all reasonable times, for the Transferee and its respective officers, employees, workers, permittees, servants, agents, contractors, subcontractors, with or without vehicles, supplies, machinery, plant, material and equipment of all purposes necessary or convenient to the exercise and enjoyment of the said Rights and easement subject to payment by the Transferee of compensation for any crop or other physical damage only to the Land caused by the exercise of this right of entry and passageway; and
- (h) To remove, relocate and reconstruct the Line on or under the Strip, subject to payment by the Transferee of additional compensation for any damage caused thereby.

2. This Transfer of Easement shall be subject to the *Planning Act*, R.S.O. 1990, c. P. 13, as amended.

3. This Transfer of Easement is given for the purpose of an electricity distribution or electricity transmission line within the meaning of Part VI of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, Sched B, as amended.

4. The Transferor agrees that notwithstanding any rule of law or equity, the works installed by the Transferee shall at all times remain the property of the Transferee, notwithstanding that such works are or may become annexed or affixed to the Strip and shall at any time and from time to time be removable in whole or in part by Transferee

5. No waiver of a breach or any of the covenants of this grant of Rights shall be construed to be a waiver of any succeeding breach of the same or any other covenant.

6. All covenants herein contained shall be construed to be several as well as joint where the context or the identity of the Transferor/Transferee so requires.

7. The burden and benefit of this Transfer of Easement shall run with the Strip and the works and undertaking of the Transferee and shall be binding upon and enure to the benefit of the parties hereto, and their respective heirs, executors, administrators, successors and assigns.
